

The GRMC Story

The Grinnell Regional Medical Center Office of Development creates this honor roll of giving. It is intended to include the names of all donors who made gifts to GRMC and its affiliates from January 1, 2008, to December 31, 2008. If your name has been misspelled, listed incorrectly, or unintentionally omitted, we apologize. So that we may correct our records or if you have an address change, please notify us by writing the Office of Development, GRMC, 210 Fourth Avenue, Grinnell, Iowa 50112. You may also email us at muitermarkt@grmc.us or lmcknight@grmc.us.

2008 Annual Giving

GRMC's 2008 annual fund drive raised more than \$313,000 from 1,148 donors. The achievement marks more than an \$84,000 increase over the 2007 annual fund effort, which brought \$229,452 from 828 donors to help support the medical center's mission. An important factor for the increase in donations was a \$25,000 matching challenge initiated by an anonymous donor in the fall.

Annual fund gifts are used to buy supplies or equipment like wheelchairs, patient beds, and computers. Annual fund gifts also help offset operating expenses. Examples of how the medical center used the annual fund donations in 2008 include purchasing:

- Laboratory equipment for tissue analysis thanks to a \$10,000 contribution from John and Marlene Manatt.
- A CosyCot Infant Warmer and Resuscitator for the Kintzinger Women's Health Center, which was partially funded with gifts from GRMC employees and Grinnell Mutual Reinsurance Company employees and its foundation.

- An electrocardiogram (EKG) used to diagnose heart disease with a grant from the Poweshiek County Alliance and a donation from John Tomasek.
- A new exam table for echocardiogram testing with a \$6,500 donation from The Donaldson Foundation.

The staff at GRMC are overwhelmed and gratified by the generosity of our supporters, as well as by the sheer number of people who believe in the work we do. Each gift, regardless of size, is a statement from our friends and patients that GRMC is important to their healthcare needs. Each gift recognizes the healing and caring work we do at GRMC that makes a difference to those in need. To all who chose to support our mission, thank you.
